Dear Club Members,

On behalf of the Auburn Alumni Association, thank you for your recent donations of \$8,500.00 to the Greater Houston Auburn Club Scholarship. This scholarship will enable talented and deserving students from your area to benefit from the educational opportunities available at Auburn University. We admire the club's generosity and decision to invest in the university's scholarship program.

The Auburn Club Program has been an Auburn tradition for more than 90 years, and with 98 active clubs, it is the largest in the Southeastern Conference. Thank you for the club's hard work and dedication to ensure success for this program and to provide much-needed scholarship support to worthy students.

We are grateful for all that you and the Greater Houston Auburn Club do for the university. Thank you for the important role you play in supporting our Auburn family.
